

MODERATOR PROFILE

DR. SATYADEV ROSUNEE

Dean, Faculty of Engineering
University of Mauritius

TOPIC:

Industry 4.0 - The Smart Factory

BIO:

He graduated from the University of Manchester with a doctorate in Textile Technology in 2002. He served as Head of Department of Textile Technology from 2003-2009, and from 2012-2014.

He has supervised/co-supervised seven PhDs in the areas of fibrous materials processing and entrepreneurship in the textile sector. Three more PhDs are currently on-going, related to textiles and sustainability. He has also authored or co-authored over 40 papers in the area of textile technology. He is a regular reviewer for the Textile Research Journal.

He is former Chairperson of the Textiles and Paper Standards Committee of the Mauritius Standards Bureau. He has contributed to a number of high-powered committees set up by the Government of Mauritius in the fields of higher education and industry. He was also Consultant for a World Bank Capacity Building Project in Madagascar from 2007-2010.
